

# MULTI-NATIONAL CORPS IRAQ - OPERATIONAL PRIORITIES

Corps Main Effort: MND-RAGHAD      Decisive Operation: SECURE BAGHDAD

**MNC-1** conducts *combat and stability operations* in coordination with the Iraqi Security Forces to secure the population, defeat AQI and other extremists, neutralize insurgent and militia groups, and as local conditions permit, transfer security responsibilities to the ISF in order to achieve *irreversible momentum* NLT summer 2006, leading to sustainable security and, in the longer term, *Iraqi self-reliance*.

**Context:** The conflict in Iraq is a non-linear struggle between and among... This requires an understanding of the interrelated factors that... and the likely effects of our time and... operations...  
**My intent:** To achieve irreversible momentum towards sustainable security in Iraq. By late summer 2006, we will generate an environment in which the Iraq people feel safe, have greater access to opportunities, have more employment, and increasingly come to rely on Iraqi institutions to fulfill their basic needs.  
**You will work:** To gain the momentum by... violence, building the capacity of professional Iraqi... encouraging transfer of responsibility to decision-making...  
**Key intent:** requires substantial Coalition assistance, but as leaders increasingly assert Iraq sovereignty, as security and stability improve, we will...  
**Key tasks:** Secure the population, Facilitate reconstruction, Develop AIG and institutions, Develop ISF capacity, Transfer security responsibility, Assist efforts to improve civil and governmental capacity, Protect the force.  
**Enablers:** In the near term (late summer 2006), irreversible momentum towards sustainable security is achieved...
