CCJ3 INFORMATION PAPER

SUBJECT: PLAN FOR SECURITY IN AL FALLUJAH.

1. PURPOSE. To provide the CDR with information on 3rd Infantry Division's (ID) plan for securing Al Fallujah.
2. DISCUSSION: The following are highlights from 3 ID's plan for securing Al Fallujah (TAB B).
 - a) 3 ID plans to secure al Fallujah through the execution of Operation DESERT SCORPION. During this operation 3 ID will conduct offensive operations from 15-30 JUN 03 to defeat remaining non-compliant forces and neutralize destabilizing influences in their AO in order to create a secure environment. 3 ID will concurrently execute an intensive IO and CMO effort to provide support to the local government and assistance for the town's economic growth.
 - b) Key tasks to accomplish this mission are as follows:
 - Establish observers to continue to collect and develop target folders within 3 ID's AO.
 - Conduct coordinated attack on DIV directed targets in AO.
 - Establish an effective IO campaign before and after operations to inform local populace of available goods and services.
 - Identify immediate OCPA assistance following the operation to support government and economic growth.
 - Conduct local assistance meetings with locals to identify needs.
 - Assist local government in recruiting and equipping Iraqi Police, Security, and Iraqi Military forces.
 - c) The endstate of this operation is the destruction of destabilizing forces and influences within 3 ID's AO and provision of basic assistance to the local populace.
3. RECOMMENDATION: None, for information only.
