Approved for Release

Intent (1 of 2)

Purpose: Create the conditions required to allow a transition of operations to a designated follow on authority

Key Tasks:

- Defeat Para-Military (Terrorist) Threats
- Neutralize De-stabilizing Influences
- Promote Stabilizing Influences
- Locate, Secure, Exploit, and Eliminate WMD
- Provide Civil Order
- Eliminate arms caches and excess military equipment
- Consolidate Equipment Sets and Ammunition for the New Iraqi Army
- Assist in Maintaining the Territorial Integrity of Iraq
- Assist in the establishment of the new Iraqi Army
- Facilitate the Restoration of Electrical Power
- Facilitate the Restoration of the Water Distribution Systems
- Develop Healthcare System
- Facilitate the Restoration of Basic Food Distribution
- Facilitate the Restoration of Public Services

SECRET//REL MGR

4

Approved for Release

Intent (2 of 2)

Key Tasks (cont):

- Facilitate Restoration of Fuel Distribution
- Facilitate Restoration of Commerce
- Facilitate Restoration of Full Economic Activity
- Facilitate Restoration of Financial Institutions
- Establish Civil Leadership
- Establish Civil Infrastructure
- Establish Supporting Bureaucracies
- Assist in Re-establishing the Educational System

Endstate:

- Secure environment established
- Economic growth established
- Local and regional governments established
- Prepared to transition operations to a designated military or civilian authority

SECRET//REL MCFI

5

Objectives

Create a Secure Environment

Complete the neutralization of de-stabilizing threats and influences; Assist in the establishment of basic law enforcement; Eliminate arms caches and excess military hardware; Consolidate military equipment for the use of new Iraqi military and assist in the establishment of the new Iraqi Army; Maintain freedom of movement along commercial and military lines of communications and maintain the territorial integrity of Iraq.

Facilitate the Establishment of Local Government

Facilitate establishment of functional, moderate, and inclusive local and regional governments.

Support Economic Development

Assist in local communities' economic development by facilitating restoration of basic life services, distribution systems, and commerce & trade.

SECRET//REL MCFI

6

Transition from combat operations to SASO

8 April: Remnants of Iraqi forces remain along Green Line, Kirkuk, Tikrit, and Ar Ramadi

11 April: Cleric assassinated in An Najaf

12 April: Peshmerga forces have "captured" Mosul, pressing towards Kirkuk

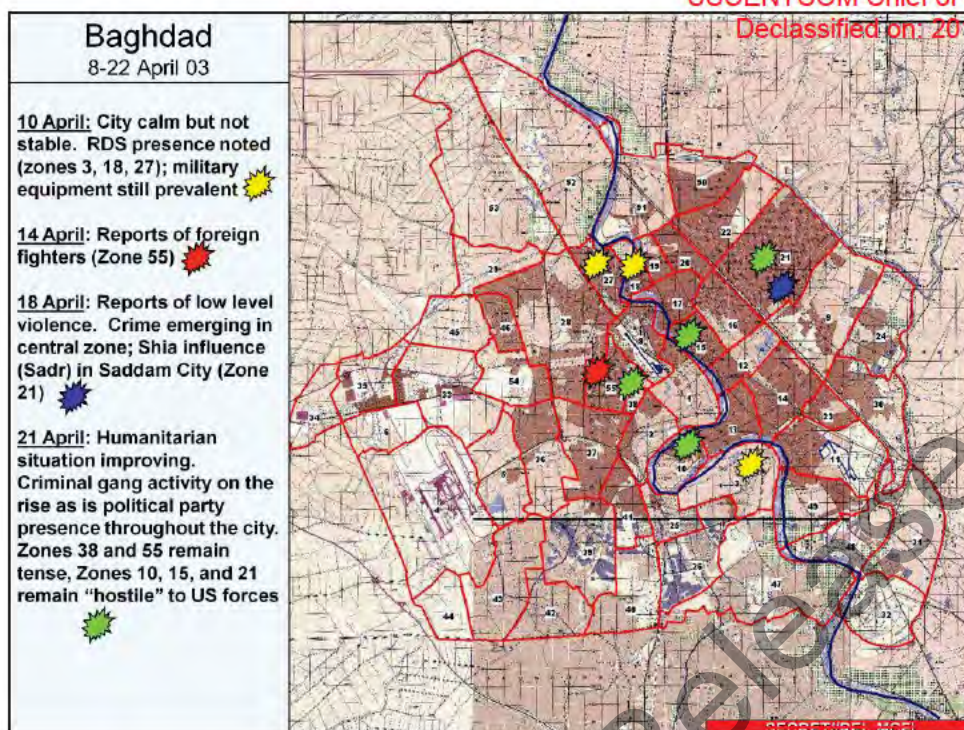

18 April: Remaining Iraqi Forces north of Baghdad destroyed, defeated, or surrender. Emergence of former regime loyalists in Tikrit, Kurdish / Arab tensions in Kirkuk, general lawlessness in Mosul

18 April: Ashura (Shia Pilgrimage) commences

22 April: Ashura ends with no incident, emergence of SCIRI / Badr influence, random attacks by former regime loyalists (Ad Diwaniyah)

Enemy Situation 8-22 April 03

1. GRENADE ATTACK IN ZONE 7. 3ID ELEMENTS REPORTS THAT AN INDIVIDUAL WEARING CIVILIAN CLOTHING THREW A GRENADE OVER THE WALL OF THE COMPOUND, INJURING 4 SOLDIERS AT [1.4a] A SUSPECTED INDIVIDUAL WAS DETAINED AND IS BEING INTERROGATED AT THIS TIME. THE SOLDIERS ARE ALL RTD AT THIS TIME. 3 ID **ASSESSMENT:** THIS EVENT SHOWS THAT WE NEED TO STAY CAUTIOUS AND VIGILANT OF SUICIDE BOMBERS AND REMAINING BAD ACTORS IN THE CITY. THE CITY IS NOT COMPLETELY SAFE AND SECURE AND WE WILL CONTINUE ISOLATED CONTACTS AS WE CONDUCT RELIEF/HUMANITARIAN OPERATIONS THROUGHOUT THE CITY.
2. REPORTS OF A GROUP OF 50-75 PEOPLE KNOWN AS "ALI BABA" ARE REPORTED TO BE KICKING PEOPLE OUT OF THEIR HOMES IN ZONE 33. RELATED: LOOTING AND BANK-ROBBERING ACTIVITIES IN BAGHDAD, IRAQ WERE CARRIED OUT BY INDIVIDUALS NAMING THEMSELVES 'ALI BABA,' AFTER THE FAMOUS THIEF FROM "ONE THOUSAND AND ONE ARABIAN NIGHTS." BOTH INDIVIDUALS AND GROUPS CARRIED OUT THE LOOTING AND BANK-ROBBERING ACTIVITIES; HOWEVER, THESE INDIVIDUALS AND GROUPS WERE NOT FORMALLY ORGANIZED IN ANY MANNER. (SOURCE COMMENT: "IT WAS ONLY IN AL-THOWRA BUT IT IS MOVING EAST, THROUGH THE CITY.") (FIELD COMMENT: AL-THOWRA IS A NAME COMMONLY USED IN REFERENCE TO SADDAM CITY, BAGHDAD, IRAQ. AL-THOWRA HAS RECENTLY BEEN RENAMED BY THE POPULOUS AS AL-SAADR CITY IN MEMORY OF SHI'ITE RELIGIOUS LEADER EXECUTED BY THE HUSSEIN REGIME.) ON 20030420 A RELIGIOUS FATWA WAS ISSUED PROCLAIMING STOLEN MONEY WILL BE FORGIVEN BY ALLAH IF ONE-FIFTH OF THE MONEY IS GIVEN TO THE IMAM AND RESPECTS ARE PAID TO [b 6] ON 20030421 ALI BABA ROBBED THE RAFDAIN STREET BANK, BAGHDAD, IRAQ. (SOURCE COMMENT: "THE RASHEED BANK-FOOTBALL STADIUM BRANCH WILL BE NEXT.") ALI BABA USED AUTOMATIC WEAPONS, SUCH AS AK-47S, TO CARRY OUT BANK ROBBERIES. (SOURCE COMMENT: "MANY PEOPLE LOOTED WEAPONS STASHES ONCE THE WAR BROKE OUT. NOW WE HAVE PKCS, RPKS, AND AK-47S ALL OVER THE PLACE.") MERCHANTS IN AND AROUND BAGHDAD, IRAQ WERE NO LONGER ACCEPTING 10,000 IRAQI DINAR PIECES FOR FEAR OF BEING CAUGHT TRAFFICKING STOLEN MONEY. COMMENTS: THE SOURCE HAS PLACEMENT AND ACCESS TO THE INFORMATION DUE TO HIS PLACE OF RESIDENCE. DUE TO THE RESULTS OF PAST PERFORMANCES THE INFORMATION IS CONSIDERED CREDIBLE. THE SOURCE DID NOT SHOW ANY SIGNS OF BEING DECEITFUL [1.4c] **ASSESSMENT:** THIS BAND OF INDIVIDUALS HAS BEEN REPORTED IN 3 SEPARATE [1.4c] REPORTS THUS FAR, AND LIKELY EXISTS. WITH THE CHILDISH NATURE OF THEIR NAME AND ACTIVITY, IT IS POSSIBLE A GROUP OF YOUNGER INDIVIDUALS THAT HAVE UNITED IN A COMMON GOAL OF CAPITALIZING ON THE INABILITY OF COALITION FORCES TO COMPLETELY POLICE THE CITY. THEY HAVE ARMED THEMSELVES WITH LOOTED WEAPONS, AN WILL POSE A HARRASSING THREAT TO US FORCES. IT IS UNLIKELY THAT THIS GROUP WILL DIRECTLY CHALLENGE US FORCES, BUT WILL OCCUPY THEM WITH THEIR ACTIVITIES. IF DIRECTLY CAUGHT IN THE ONE OF THEIR ACTS, THIS GROUP WOULD LIKELY NOT HAVE THE SENSE

TO SURRENDER IMMEDIATELY TO US FORCES, BUT WILL MORE LIKELY FRUITLESSLY ENGAGE US FORCES.

3. MEMBERS OF THE WAHABI TRIBE, OPERATING IN BAGHDAD ARE CONDUCTING SURVEILLANCE ON U.S. PERSONNEL IN THE AREA. (COMMENT: THE WAHABI TRIBE IS THE TRIBE PREVIOUSLY REPORTED RESPONSIBLE FOR STRONG ANTI-COALITION RHETORIC IN MOSUL). MEMBERS CONDUCT SURVEILLANCE FROM A SCHOOL LOCATED AT GRID COORDINATES [1.4a] WAHABI TRIBE MEMBERS WEAR LONG BEARS AND DRIVE WHITE PICK-UP TRUCKS. THEY CARRY VARIOUS; WEAPONS; TO INCLUDE AK-47, SHOULDER-FIRED ROCKETS AND MORTARS. WAHABI MEMBERS HAVE A POSSIBLE WEAPONS CACHE LOCATED IN A LOCAL RESIDENCE OFF THE ABU GHURAYB EXIT (GRID COORDINATES [1.4a]). THE RESIDENCE, WHICH HOUSES A LOCAL FAMILY WITH CHILDREN, HAS BEEN OVERTAKEN BY WAHABI MEMBERS AND THEIR LEADER, NFI. **ASSESSMENT:** MEMBERS OF THIS ANTI-COALITION GROUP ARE LIKELY SEEKING TO EXPLOIT VULNERABILITIES IN COALITION SECURITY TO CONDUCT HARRASSING ATTACKS SUCH AS THE HAND GRENADE ATTACK EXPERIENCED BY 3 ID. WITH PREVIOUS REPORTING INDICATING A DECLINE IN ATMOSPHERICS IVO ABU GHURAYB, THIS GROUP IS POSSIBLY USING THIS AREA AS A SAFE-HAVEN TO PLAN EFFORTS TO UNDERMINE COALITION ACTIVITIES.
4. CONTINUED REPORTING OF MPS BEING ABMUSHED IVO AL ISKANDARIYAH. VIOLENT RDS/PMF IVO AL ISKANDARIYAH HAVE TWICE CONDUCTED AMBUSHES AGAINST CONVOYS SOUTH OF BAGHDAD.
5. ON 24 APRIL, I MEF FORCES OPERATING IN AL KUT INCOUNTERED A HOSTILE CROWD AS THEY WERE CONDUCTING OPERATIONS. WHILE NOT IN OUR AO, THE TTP ADOPTED BY THE CROWD MAY BE ADOPTED BY IRAQIS IN OUR AO AND BEARS NOTING. KEY POINTS:
- THE CROWD STARTED SMALL BUT RAPIDLY GREW TO SEVERAL HUNDRED. **ASSESSMENT:** THERE WAS A CONTROLLING ENTITY WHO HAD THE ABILITY TO CALL FOR "REINFORCEMENTS", INDICATING THAT THERE IS AN POOL OF PEOPLE AVAILABLE THROUGH COERCION OR OUT RIGHT BRIBERY TO RALLY SUPPORT AN INDIVIDUAL OR GROUPS AGENDA
 - THE CROWD ACTUALLY FORMED A SERIES OF "ATTACKS" IN WAVES THAT APPEARED ORGANIZED. IN THIS CASE, THE MARINES REPORTED BEING ATTACKED BY TWO SEPARATE WAVES OF PEOPLE. THE MARINES WERE ABLE TO DISPERSE THE CROWD USING CLOSE QUARTER DRILL AND PEPPER SPRAY. **ASSESSMENT:** AGAIN, A FEW BAD ACTORS ARE SERVING TO GUIDE THE CROWD. IT IS LIKELY THAT WITH ONLY A FEW "LEADERS" OR INSTIGATORS, THE CROWD TAKES ON A "MOB" MENTALITY ON ITS OWN AND SERVES THE PURPOSE OF THE LEADER.
 - A THIRD WAVE OF PEOPLE ARRIVED TO CUT OFF THE MARINES FROM BEHIND, COMPLETELY SURROUNDING THE PLATOON. MEF REINFORCEMENTS ARRIVED AT ABOUT THE SAME TIME AND RAPIDLY DISPERSED THE CROWD THROUGH SUPERIOR FIRE POWER. **ASSESSMENT:** THE BAD ACTOR HAD GREAT COMMUNICATIONS AND GOOD ISR ASSETS TO BE ABLE TO RAPIDLY ASSESS THE SITUATION AND APPLY RESOURCES WHERE BEST REQUIRED. ONLY TIMELY REINFORCEMENTS PREVENTED FURTHER BLOODSHED.
- ASSESSMENT:** THE GOAL OF THIS INCIDENT APPEARED TO BE TO ILLICIT A LETHAL RESPONSE FROM THE MARINES AND USE TO THEIR IO ADVANTAGE. IT IS UNLIKELY THAT ALL THE PARTICIPANTS OF THE MOB ARE ACTUALLY ANTI-COALITION, RATHER THEY ARE JUST FOLLOWING ALONG WITH THE CROWD. WE HAVE SEEN SIMILAR, ALBEIT NOT AS HOSTILE, TYPE CROWDS IN OUR AO (AR RAMADI) AND CAN EXPECT TO SEE MORE OF THIS TTP WITH OTHER PROTESTS / RIOTS IN THE FUTURE.

Relief in Place with I MEF

16 April 03: 4ID Attacks to secure Taji, Balad, and continues to Tikrit

16-21 April 03: 3ID Completes relief in place with I MEF forces and 101 ABN (AASLT) vicinity of Baghdad and assumes control of all zones in Baghdad

Approved for

Future Operations Focus

Operational Effects

- Set standard for non-compliance and broadcast across all of Iraq
 - If community does not comply with the coalition efforts life gets less comfortable
- Create gap between the levels of the Baath Party and give former military personnel employment opportunities and options
 - You too can be part of the solution vice part of the problem
- Life gets better when you comply
 - Phase IV Ops: TF Neighborhood, gasoline and utilities for everyone, freedom of movement and freedom to govern, etc.
