CPA Security Endstate

- There is a secure environment for people and property that enables citizens to participate fully in political and economic life.
- The Iraqi government has the means to assume responsibility for its external and internal security, to include its own defense, police, and border patrol forces.
- Relationships with regional states and with the international community have been established.
- The role and accountabilities of organizations providing security are clearly defined within a legal framework.
- The legal framework also regulates the private possession and use of weapons.

~~SECRET/REL MCFI~~

Department of Border Enforcement (DBE)

Mission

- Monitor and control the movement of persons and goods to, from, and across the borders of Iraq.
- Perform functions of border police, customs police and inspections; immigration duties, port facility protection, detention and deportation, coastal patrol, and passport issue and inspection.

Command and Control

- CPA Administrator (through the Ministry of Interior) maintains command, control and administrative authority over the DBE pending transfer of authority to an internationally recognized, representative government established by the Iraqi people.

Force Structure

- Objective is 25,700.
– 11,600 on duty.

Rationale

- Secure approximately 30 pre-war authorized border crossing sites and provide periodic surveillance and interdiction capability for smuggling routes and illegal crossing points.

Iraqi Border Guards on duty

Resource requirements:
\$150 million from Supplemental

~~SECRET/REL MCFI~~

Iraqi Civil Defense Corps (ICDC)

Mission

- Support coalition operations to provide security and stability to the Iraqi people; authorized tasks include constabulary duties, including patrolling urban and rural areas, search and seizure, fixed site, check point, area, route and convoy security; crowd and riot control; disaster response services; search and rescue; support for humanitarian missions and disaster recovery operations.

Command and Control

- The Commander of Coalition Forces, as the CPA Representative designee, has responsibility and authority for the recruiting, training, organization, and control of the ICDC.

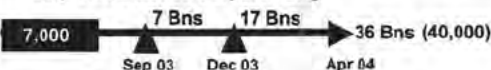

Force Structure

- Objective is 36 battalions (40,000) in the second quarter of FY 04 (Apr 04).
– 7,000 on duty.

Rationale

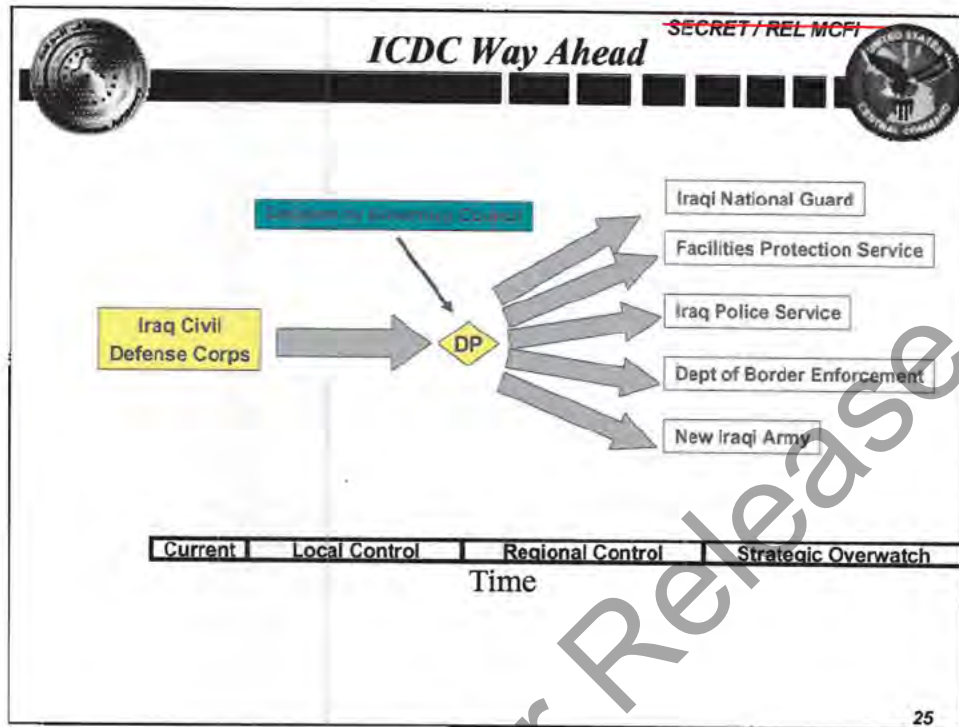

- Provincial focus ensures home-based force has greatest stake in security success and knowledge of the area. Also provides a basis to sustain manpower of other security forces.

Iraqi Civil Defense Corps on duty

Resource requirements:
\$76 million from Supplemental

24

New Iraqi Army (NIA) ~~SECRET/REL MCFI~~

Mission

- Military defense of Iraq, including defense of the national territory and the military protection and security of critical installations, facilities, infrastructure, lines of communication and supply, and population.

Command and Control

- CPA Administrator (through the Ministry of National Security Defense) maintains command, control and administrative authority over the NIA pending transfer of authority to an internationally recognized, representative government established by the Iraqi people.

Force Structure

- Initial goal is 3 divisions (27 BNs) by Sep 04; first battalion (668) graduated 4 Oct 03. 1000 recruits currently in training. FY 04 Supplemental submission is based on accelerated plan to complete training by Sept 04.

Rationale

- Recruiting and training capacity are the pacing items for initial force structure goals. Long-term size of the force is driven by defense requirements to ensure territorial integrity of Iraq.

New Iraqi Army on duty

1,700 → 3 Divs Sep 04

Resource requirements:
